## Value Mapping your Real Estate Business: Part II

**Every Real Estate professional needs to use their resources efficiently.**

Too often we do not have the right processes in place, or we experience a lot of waste without recognizing the impact on the bottom line.

In this second session, you will build upon what you learned about the benefits of value stream mapping your real estate processes to increase efficiency and reducing wastage in your business. We will do this by applying the techniques of value stream mapping in your business and realize some immediate gains!

**Registrants are required to complete the February 21st (Part 1) and February 23rd (Part 2) Sessions to acquire the full credits.**

**Date: Thursday, Feb. 23, 2022    Time: 11:30 AM – 1:30 PM    CE Credit - 2.0\***
