January 2023

Håfa Adai and Biba 2023!

As I begin my term as president I wish to thank the immediate past president Liz Duenas, the Board and Committee members who served for all their hard work and dedication that was done this past year.

I would additionally like to thank those members who took the time to complete the end of the year survey as these responses were valuable and well received. These responses will help pave the way to bridge the connection between the board and the members. I will do my best to address all your concerns during my presidency.

This year I will have an open door policy with the membership, especially those who prefer face to face communication and seek transparency. I will be available upon request and just know I'm a phone call away. I value your input and look forward to working with each and every one of you.

On the horizon, I am pleased to announce that the Guam Association of REALTORS® is in the process of purchasing a building, one that we will be proud to call our home. This endeavor has been long awaited and we owe the previous leaderships a debt of gratitude for this huge undertaking.

In weeks ahead we will be announcing the new committee leadership and I want to encourage you all to participate so we can have a continuous flow of future leaders for our association. We will also be publishing the calendar for the year, so you can plan ahead for all the wonderful events we have scheduled.

Guam Association of REALTORS® joins the National Association of REALTORS® theme for 2023 "RIDING WITH THE BRAND" Because you, the members of the National Association of Realtors are the brand. The brand is you, and the brand is us. We are the brand; it's who we are. It represents the best of people who truly love their community and the people who live in it. I want to thank you for Riding with the Brand and giving it your very best!

In closing, I anticipate 2023 to be a GREAT year for the Guam Association of REALTORS®.

Senseramente,

Jodee Duenas
2023 GAR President
