

The Voice for Real Estate on Guam

Biba Mes CHamoru and Happy Women's History Month!

Hope you are having a great 2023 thus far.

Thanks to all who attended the Broker's Forum. It was very well attended, and lots of information was shared and should have been passed on to you by your respective Brokers.

Special guests at the event included Senator Chris Duenas, Senator Roy Quinata, and Senator Joe San Agustin who are currently serving in the 37th Guam Legislature.

Some of the highlights of the Forum included:

1. Reports by the legislative committee who are actively working on various issues affecting our industry, to include Archeological Surveys, Building Permit Process, Parental Subdivisions and Waste Disposal systems.
2. Ryan Mummert, PinPoint Guam, provided a brief overview of the updates to REALFACTS, formerly GRPR, to soon take effect in the next month or so.
3. Military Housing update on Housing Assignment Mandatory Policies, Updated Validation Documents and Lease Requirements.
4. New Broker and Member Orientation updates from the Professional Development Committee and G.R.E.A.T.

All the information shared will be uploaded to the GAR website for ease of access. If you have any questions, call me.

Again, I'd like to encourage you to get involved, speak up if you have any concerns or recommendations, and invest in RPAC.

Si Yu'os Ma'ase!
